- b) That the office of the undersigned had already issued Show Cause Notice DRC-01 dated 31.10.2022 for a sum of ITC of Rs.1,37,92,849/-. That a 2nd DRC-01 dated 26.06.2024 (for which the present DRC-07 is being passed) for the difference sum of Rs. 52,07,256/- was issued and the Noticee was show caused as to why the amount of tax ascertained along with applicable interest and penalty therein should not be levied as per the GST provisions.

- c) The transactions through which the said ITC had been passed to the Noticee by the said supplying entity, the actual tax had not been paid on the said transactions at any point of time in government treasury, resulting in contravention of section 16(2)(c) of MGST Act,2017.
- d) It is pertinent to note that Proprietor of M/s. Dolphin Overseas was arrested for offence u/s 132 of MGST Act 2017 and criminal complaint (chargesheet) has been filed against the proprietor of the entity in the jurisdictional court. Ms. Prima Pradeep Mhatre was arrested on date 10/02/2022 at about 3.10 PM from Surat, Gujarat by the Investigating Officer, STO, (C-001), Investigation-B, Mumbai and presented before the Hon'ble Esplanade Court on 11/02/2022. She was remanded to judicial custody by the Hon'ble Court and has got statutory bail after completion of 60 days u/s 167(2) of Cr.P.C., 1860.
- e) The Noticee has submitted that it has not committed any violation of the GST provisions and that it has complied with the conditions of section 16 of the Act and that it has e-way bills and other documents to prove its case of genuine purchase transactions from the said supplier. However, this office has examined the investigation proceedings and findings of the said supplier and it was revealed that said entity was not conducting any business as claimed by it.
- f) The said supplier was not maintaining any books of accounts, stocks or anything to support the fact that the said supplier was actually conducting any business.
- g) It is also pertinent to note that when the very supplier from whom the Noticee claims to have purchased goods has been found to be non-existent, fake and non-genuine, the submissions of the Noticee cannot be accepted and the entire transactions become questionable and fake.

h) The Noticee cannot simply state that it has invoices and e-way bills to support its purchases when the fact remains that no the very supplier from whom purchases have been made has been found to have no documents or books of accounts with them. There is no corroborative evidence to confirm the genuineness of the transactions of the Noticee. Moreover, it is also clear that the entire transactions are simply paper transactions and no actual purchase or movement of good/services or both have taken place. Hence, the submissions of the Noticee are rejected and the Noticee is liable to pay the full amount as directed by the undersigned with regards to the said issue of **Availment of ITC from M/s. Dolphin Overseas, GSTIN 27AJFPM4268C1Z9.**

17. Interest:

The noticee has failed to make tax payment as required under the GST Laws and also availed ineligible ITC, excess ITC in addition to wrongful availment of ITC. That the same has been established and stated in the aforesaid paras. Accordingly, Interest becomes liable to be paid by the Noticee as per Section 50 of the Act. The Noticee has not paid or rather short paid tax which attracts provisions of section 50(1). That the Noticee was not entitled to such availment and that it should not have availed in the first place and such availment most definitely fits into the meaning of section 50(3). When the noticee is availing ITC which was never due to it in the first place against items which were given by it free of cost as gifts to its franchisees, the meaning of undue ITC befits the meaning as stated in section 50(3). The Noticee is liable to pay interest u/s 50 on short payment of tax and availment of ITC which was ineligible, excess and wrongly availed and when it is called as availed wrongly, the meaning tantamount to be the same as stated

u/s 50(3). Hence, the submission of the noticee is unacceptable and interest is due u/s 50 of GST.

18. Penalty:

The Noticee becomes liable to pay penalty it has violated the provisions of GST laws and that Section 74 clearly mandates penalty be levied at different rates depending upon the conduct and compliance or non-compliance of the Noticee, as the case may be. Hence, the contention and submission of the Noticee that no penalty is to be levied in its case are incorrect and unacceptable.

19. In fact, a bare perusal of the present SCN/DRC-01 dated 26.06.2024 clearly show that the Noticee has failed to comply with relevant provisions of the laws. In response to the said SCN the Noticee has made the afore discussed written submissions and was granted a personal hearing on 07.08.2024 which was duly availed by it though its authorised representatives and additional written submissions were also submitted by it. However, based on the written submissions of the Noticee read with the facts, findings and provisions of the GST laws, it is clearly evident and in view of the same, the Noticee has failed to provide proper submissions to the satisfaction of the office of the undersigned and hence, the adjudication proceedings have been initiated against the Noticee in the present case.

20. That the Noticee has caused revenue loss to the State of Maharashtra by the aforesaid non-compliances and violations of the GST laws and has failed to dispense with the liabilities has directed by the undersigned. In view of the above discussions and findings I pass the below paras.

21. The Noticee keeps reiterating that it has complied with the provisions of the law and hence, it is not required to pay any tax or interest or any other liability. However, the Noticee does not establish its case beyond doubt and fails to prove its case as required by Section 155. This office has explained and cited the necessary provisions and how the Noticee has violated the provisions. Hence, the applicability of the provisions of section 74 and liability to pay interest thereon is valid and sustainable and accordingly, the submissions of the Noticee are not accepted.
